Subject: Letter of business invitation to attend an Exhibition on technological Advancement

Dear Sir,

I intend to invite you on behalf of Wise Technical Mining Advancement, LLC, to participate in our exhibition of new technologies in Vancouver on June 13 2022.

It will be our pleasure to have you as one of our guests and introduce the new technologies and advancements in the mining field as you have always been one of our good clients for a long time. You are nicely requested to visit as early as possible so we can provide the best hotel as early as possible. You are requested to inform us if you are coming or not.

We hope you honor us with your presence and develop another sale of Mining equipment to the United Arab Emirates. The last contract was beneficial for both companies and the nation.

Thank You.

Looking forward to hearing from you soon.

Sincerely Yours,
Martin Jacobs, CEO
